Ke Huy Quan, also known as Jonathan Ke Quan, won the 2023 Academy Award for Best Supporting Actor for his role as Waymond Wang in the science fiction film *"Everything Everywhere All at Once."* Quan is one of only two actors of Asian descent to win the Academy Award for Best Supporting Actor, and the first Vietnam-born actor to win an Academy Award.

In addition to the Academy Award, Quan also received a Golden Globe and a Screen Actors Guild Award for the 2022 role, becoming the first Asian man to win in any individual SAG Award category.

Quan rose to fame as a child actor in the 1980s playing Short Round in *"Indiana Jones and the Temple of Doom"* and Data in *"The Goonies."* Born in Saigon, South Vietnam, Quan's family fled to Hong Kong in 1978 and were admitted to the United States as part of the Refugee Admissions Program in 1979. A naturalized citizen, Quan was raised and resides in California.
